I am a final-year Software Engineering student at FPT University in the 8th semester with strong ASP.NET Core and JavaScript, seeking to apply my technical knowledge in a dynamic internship role. I'm excited to contribute to innovative projects and gain deeper insights into web development and IT infrastructure.

EXPERIENCES

FPT Software– Intern

October 2026 - January 2027

- Assisted in developing web applications using ASP.NET Core and JavaScript.
- Participated in debugging sessions, identifying and resolving issues in a team environment.
- Collaborated with senior engineers to optimize database queries in MS SQL.

EDUCATION

Software Engineering, FPT University

2023 - 2027

- **Relevant Courses:** Web Development, SQL Server, Data Structure and Algorithms, Networks and Mobile application development.
- **Key Project:** Designed and implemented a web application for managing university coursework using ASP.NET Core and SQL.

SKILLS

Programming Languages

C#

JavaScript

Java

Frameworks & Tools

.NET

ASP.NET Core

Git

Visual Studio

Databases

MS SQL

LANGUAGE

English: ILETS 6.5

Japanese: JLPTN N2
